

# Here I Am (Just When I Thought I Was over You)

## Air Supply

Here I am, playing with those memories again  
And just when I thought time had set me free  
Those thoughts of you keep taunting me  
Holding you, a feeling I never out grew Though each and every part of me has tried  
Only you can fill that space inside  
So there's no sense pretending  
My heart is not mending Just when I thought I was over you  
And just when I thought I could stand on my own  
Oh baby, those memories come crashing through  
And I just can't go on without you On my own, I've tried to make the best of it alone  
I've done everything I can to ease the pain  
But only you can stop the rain  
I just can't live without you, I miss everything about you Just when I thought I was over you  
And just when I thought I could stand on my own  
Oh baby, those memories come crashing through  
And I just can't go on without, go on without  
It's just no good without Just when I thought I was over you  
(Without you)  
Just when I thought I could stand on my own  
(Without you) Just when I thought I was over you  
(Without you)  
Just when I thought I could stand on my own  
(Without you) Just when I thought I was over you  
(Without you)  
Just when I thought I could stand on my own  
(Without you)
