You Don't Know Me

Harry Connick, Jr.

You give your hand to me
Then you say "Hello"
And I can hardly speak
My heart is beating soAnd anyone can tell
You think you know me well
But you don't know me, ooh noYou don't know the one
Dreams of you at night
Longs to kiss your lips
Longs to hold you tightI'm just a friend
That's all I've ever been
'Cause you don't know meFor I never knew the art of making love
Though my heart aches with love for you
Afraid and shy I let my chance go by
The chance that you might love me tooYou give your hand to me
Then you said, "Goodbye"
Watch you walk away
Beside the lucky guyYou'll never never know
The one who loves you so
Well you don't know meOh, I never knew the art of making love
Though my heart aches with love for you
Afraid and shy I let my chance go by
The chance that you might love me tooYou give your hand to me
Then you said, "Goodbye"
I watch you walk away
Beside the lucky guyYou will never know
The one who loves you so
Well you don't know me
