

She Has No Time (Demo) [Zoomorphic Single 2]

[Keane](#)

You think your days are uneventful
And no one ever thinks about you
She goes her own way
She goes her own way You think your days are ordinary
And no one ever thinks about you
But we're all the same
And she can hardly breathe without you She says she has no time for you now
She says she has no time Think about the lonely people
And think about the day she found you
Or lie to yourself
And see it all dissolve around you She says she has no time for you now
She says she has no time Lonely people tumble downwards
My heart opens up to you
When she says she has no time for you now
She says she has no time
