

Hello Lonely (Walk Away from This)

Theory of a Deadman

Hello lonely, how you doin' today?
Hello sweet thing, why dont you walk this way?
Hello you again, how could you go and be so cold?
And she said Goodbye sad man
'Cause all this pain is getting old
So why are you sad, don't you know that
It's you thats haunts my dreams and seems to always come back?
How do I live without you?
How could you walk away from this, just walk away from this again
How do I live without you?
How could you walk away from this, just walk away from this?
Hello lonely, now that you're gone I can move on
Goodbye sweet thing, just know that I've been here all along
So why are you so sad, don't you know that
It's you that haunts my dreams and seems to always come back?
How do I live without you?
How could you walk away from this, just walk away from this again
How do I live without you?
How could you walk away from this, just walk away from this again?
Again, Again
All those days you waste on me, I just can't let you go
So why are you so sad, don't you know that
It's you that haunts my dreams and seems to always come back?
How do I live without you?
How could you walk away from this, just walk away from this again?
How do I live without you?
How could you walk away fom this, just walk away from this?
How could you walk away? again
How could you walk away from this? again
Just walk away from this again
