

Everybody's Equal In The Eyes Of Love

Patty Loveless

Well we can try and hide our emotion
Stand there like a rock in a wall
But love can take a little old notion
And make a living wreck of us all
Everybody's equal in the eyes of love
Darling don't you kid yourself
You can come on tender, you can come on tough
Come on and get in line with everybody else
Quit what you're thinking of
Ain't no one above it
Everybody's equal in the eyes of love
Some are 'bout as subtle as thunder
They just try to barrel on by
But love'll leave 'em weak and wonderin'
Ain't it funny how they turn up shy
Everybody's equal in the eyes of love
Darling don't you kid yourself
You can come on tender, you can come on tough
Come on and get in line with everybody else
Quit what you're thinking of
Ain't no one above it
Everybody's equal in the eyes of love
Love can make nothing out of everything
Turn something into something else
It'll treat a loser like a doggone king
And treat a doggone king like everybody else
Cause everybody's equal in the eyes of love
Darling don't you kid yourself
You can come on tender, you can come on tough
But come on and get in line with everybody else
Now don't kid yourself
No you're not above it
Quit what you're thinking of
Ain't no one above it
Everybody's equal in the eyes of love
