Don't Make Me Hit You

Har Mar Superstar

Please don't make me hit you, I'm not your daddy.
Why must your crazy love hurt me so badly
Girl we've got issues I'm begging you please,
Love shouldn't come with a leash.
Every night we go to bed you wanna play rough
Well I'm not so into that kinky stuff.
Always explaining the marks on me
Your love is making me bleed.
I'm covered in your scratches, got me in patches,
Can't you find another way to express your passion.
This is gonna hurt me more than it hurts you
Hard to believe the things you've put me through.
I've gotta say girl I don't wanna play
Your little girl game.
The little boy here yanking, giving you spankings
I'm not the monster that you want to make me oh.
Please don't make me hit you, I'm not your daddy.
Why must your crazy love hurt me so badly
Girl we've got issues I'm begging you please,
Love shouldn't come with a leash.
Please don't make me hit you, I'm not your daddy.
Why must your crazy love hurt me so badly
Girl we've got issues I'm down on my knees,
Not the way you want me to be,
Not the way you want me to be
