

# Drown Me Slowly

## Audioslave

I've got a will this time, I don't care what you say  
I've got a feeling this will all go away  
It's in the wind this time, it's in the southern sky  
I can't walk on water yet won't even try Drown me slowly, enclose me  
Drown me slowly alright  
Drown me slowly, enfold me  
Drown me slowly All that I took with me was a bad taste in my mouth  
Went all around the world just couldn't spit it out  
Just like ground zero was the surface of the sun  
That's a sickness, I can't fix it, not all at once Drown me slowly, enclose me  
Drown me slowly alright  
Drown me slowly, enfold me  
Drown me slowly Don't let them take you down  
You'll leave a better world than you found  
Don't let them take you down  
You'll leave a better world than you found Don't let them take you down  
Don't let them take you down  
Don't let them take you down  
Don't let them take you down So drown me slowly, enclose me  
Drown me slowly alright  
Drown me slowly, enfold me  
Drown me slowly Drown me slowly  
(Drown me slowly)  
Drown me slowly  
(Drown me slowly)  
Drown me slowly
