

Long Live Love

TJ McCloud

How long is forever?
I never imagined that it would feel too short.
But here with you near me,
I fear that Iâ€™ll find myself one day askinâ€™ for more.
Love is bigger than I knew.
And this thing with me and you
Has left me wonderinâ€™ if itâ€™s true that
Love lives even after timeâ€™,
Leavinâ€™ everything behind
But love, and loveâ€™,
Long live love,
Long live lookinâ€™ in your eyes and seeinâ€™ trust
Long live feelinâ€™ like Iâ€™ll never get enough.
For now and for forever let it carry us.
Long live love.
As soft as a whisper,
This bliss that we stumbled on is changinâ€™ my heart.
And suddenly now all I want
Is to love you more, every piece of who you are.
Love is bigger than I knew,
And this thing with me and you
Has left me wonderinâ€™ if itâ€™s true that
Love lives even after timeâ€™,
Leavinâ€™ everything behind
But love, and loveâ€™,
Long live love,
Long live lookinâ€™ in your eyes and seeinâ€™ trust.
Long live feelinâ€™ like Iâ€™ll never get enough.
For now and for forever, let it carry us.
Long live love. Long live love.
A love that lives thru everything
And echoes thru eternityâ€™,
Oh, and thatâ€™s the kind of loveâ€™,
Oh, thatâ€™s the kind of loveâ€™,
Oh, thatâ€™s the kind of love I can believe.
Long live love,
Long live lookinâ€™ in your eyes and seeinâ€™ trust.
Long live feelinâ€™ like Iâ€™ll never get enough.
For now and for forever, let it carry us.

Long live love,
Long live lookin'™ in your eyes and seein'™ trust.
Long live feelin'™ like I™ll never get enough.
For now and for forever, let it carry us.
Long live love. Long live love.
