All I Need (Eli Walks Mix)

Caroline

A splinter in my finger
I think it's you
In me
My nose is pressed against the window
Of your heart
Got lost in the maze
That leads to you
To you
Unspoken words
Leave me miles
Away from youHold that smile
That's all I need
Don't say a thing
That's all I need
All I needYou're the only one
That turns my head
My head
Maybe someday we'll say hello
GoodbyeHold that smile
That's all I need
Don't say a thing
That's all I need
All I needHold that smile
That's all I need
Don't say a thing
That's all I need
All I needYou're the only one
That turns my head
My head
Maybe someday we'll say hello
Goodbye
