

# Hard Times

## Seaweed

we've been walking through the hard times  
see the good news vanish way before it's shown  
but i don't fake a smile  
cuz i know the time is going  
taking advantage while-while the chance is goodyou got sad eyes, never realized  
lost your balance, got no talent  
broke and flat is less you know thatyeah, you got the hard times on your side  
kicks you down  
more than you ever been before  
take a second try  
you'll be home before you know it  
taking advantage while,  
while you're young and  
while your chance is good  
policeman writes me up a big fine  
he's filling up my year with talk about the law  
but i don't hear his hassle  
cuz i know that he's an asshole  
writing up the slip and jacking off his jaw
