

Gotta Reason

Hard-fi

Hung around here long enough
I've seen the smooth but only caught the rough
I've got no reason, ooh no, I got no reason
Disco on the radio, I ain't got no place to go
I've got no reason, ooh no, I got no reason But see the new girl in town
Maybe I can show you round though
Baby, let's generate some heat
Gotta reason, ooh now, I've gotta reason Hey, hey, baby, you knock me out
You make me want to scream and shout
I've gotta reason, now, I've gotta reason You can make it all worth while
I like your face girl, I like your style
You've gotta reason, ooh now, I've gotta reason Yeah, you look so good
I want to eat you up like food
Oh, baby let's generate some heat
I've gotta reason, ooh now, I've gotta reason Alright, let's go, woah
Check it out, check it out, yeah
You know I gotta reason Gotta get my head just right
Gotta make my move tonight
I've gotta reason Now, I've gotta reason
Ooh, I've gotta reason
Ooh now I've gotta reason
Ooh now I've gotta I've gotta reason, gotta
I've gotta reason, gotta
I've gotta reason, gotta
I've gotta reason, gotta I've gotta reason, gotta
I've gotta reason, gotta
I've gotta reason, gotta
I've gotta reason, gotta
