War On War

Wilco

It's a war on war
It's a war on war
It's a war on war
It's a war on war
It's a war on war
It's a war on war
It's a war on war
There's a war onYou're gonna lose
You have to lose
You have to learn how to dieJust watching the miles flying by
Just watching the miles flying by
You are not my typewriter
But you could be my demon
Moving forward through the flaming doorsYou have to lose
You have to learn how to die
If you want to, want to be aliveYou have to lose
You have to lose
You have to learn how to die
If you want to, want to be aliveYou have to die
You have to die
You have to learn how to die
If you want to, want to be alive
Okay?
