I've Learned

Tammy Wynette

Darlin', I've learned
How much your heart can cry and yearn
Two lips can pray for your return
At last, I've learnedYes, yes, I've learned
The haunting melancholy blues
The heartache when I long for you
At last, I've learnedSince you've been gone
I've been a stay at home
And in this lonely solitude
I've lived over each moment with you
Yes, I've learned
I love, I love, I love you so
I feel so wrong to let you go
Yes, I've learnedSince you've been gone
I've been a stay at home
And in this lonely solitude
I've lived over each moment with you
Yes, I've learned
I love, I love, I love you so
I feel so wrong to let you go
Yes, I've learned
