Have a Nice Rest of Your Life

Randy Travis

There's not a mean bone in my body
I never could be unkind
And I know we're not talking
But there's something on my mindIt ain't righteous indignation
I don't plan to rant or rave
No need for us to fight and fuss
I just want to sayHave a nice rest of your life without me
I'll be proud to be a part of your history
If it makes you happy, honey, keep talking bad about me
And have a nice rest of your life without meI know you're not heartless
Not callous and you're not cruel
And I know you don't mean to
When you treat me like a foolI believe that your good nature
Will emerge with someone else
If I can't be beside you
I can be beside myselfHave a nice rest of your life without me
I'll be proud to be a part of your history
If it makes you happy, honey, keep talking bad about me
Have a nice rest of your life without me, without meDon't forget your pocket book, honey
Oh, and your toothbrush
Don't forget your toothbrush, dearHave a nice rest of your life
Have a nice rest of your life
Have a nice rest of your life
