Karats

Vee tha Rula

Riding through the city dodging hay
I see that bullshit from a mile away
I'm just asking for a hunned million
Niggas acting funny like they taller parent
Get her wetter than a speedboat
The phone ain't working 'cause we out that area
Bungalow chevine at the marion
Just me and her like the more the merrier
Just for the night though I ain't gonna marry her
Unless I merry her, this shit is scary but we young and confused
Man just let this marinate and let me narrate
Don't let interrogate, just let a player be
We got the crown on the one to carry us
We by the tome and the fucking harrier
I know some things you should know
I got a reason to go, swagging from head to my toe
They screaming, they love me, I'm dope
I hit the stage and I glow
They all amazing like whoa
I had some shit that was going on back in the day
Man it's feeling like back in the day
Grab me a lighter, I'm lighting this fire
Get money from rhyming, I'm
I'm shinning like a diamond on these hoes, karats
I'm shinning like a diamond on these hoes, karats
I'm shinning like aI make a way for you, I'm in a late for you
Or the side of the map overseas
I put my state on you
If you stay on it, anything can happen
I remember them days homie pushing weight on them
Yeah, get you a pound of 3 stacks, put that stank on you
I will never front, I'm on your rear end
I'm an alien, you an all meer man
I'ma go to Europe gonna fuck some Europeans
Make that ass clap sound like they cheering
All up in my sugar, we ain't ever near kin
All up in my circle, we ain't even near friends
Don't you ever, ever come around here again
Run upon you looking like a damn deer head

Headlights, dead right, I am here yeah
I'ma burn you niggas up, I'ma see your hands
I'ma be with Kate Peazy, I'ma be real
Man I'm way up, you can say a nigga bleh
They all upon my ass, you can say a nigga stressed
This shit can happen fast, I'm just tryina get a check
Keeping money on my mind, and I'm
I'm shinning like a diamond on these hoes, karats
I'm shinning like a diamond on these hoes, karats
I'm shinning like a diamond on these hoes
Diamond on these hoes, like a diamond on these hoes
I'm shinning like a diamond on these hoes
Diamond on these hoes, like a diamond on these hoes
Karats, karats, karats
