

# If Your Heart Ain't Busy Tonight

**Tanya Tucker**

If your heart ain't busy tonight  
Maybe it would like to get with mine  
If your heart ain't busy tonight  
Well, I could keep it occupied for a long, long time  
If your lips ain't got something pressing to do  
If your arms aren't held up, well, their invited too  
If your heart ain't busy tonight  
Maybe it would like to get with mine anytime  
Well, it's kind of you to lend me an ear  
Well, that's a start but I believe  
If I could only get the rest of you over here  
Well, all of you might fall in love with all of me  
If your heart ain't busy tonight  
Maybe it would like to get with mine  
Anytime, oh yeah  
If your feet are restless for somewhere to go  
And your eyes want something more to see  
Why don't you let them lead the rest of you to my door?  
So all of you can fall in love with all of me  
If your heart ain't busy tonight  
Well, maybe it would like to get with mine  
If your heart ain't busy tonight  
Well, I could keep it occupied for a long, long time  
Yes, I could  
If your lips ain't got something pressing to do  
If your arms aren't held up, well, they're invited too  
If your heart ain't busy tonight  
Maybe it would like to get with mine anytime  
If your heart ain't busy tonight  
Maybe it would like to get with mine
