[English Translation]

Hello, Iâ€™m Rami, Rami the Matan, Rami the Matan
All the time, I have a mess
Now I am also also, not here and not there there
If you donâ€™t know me, you are stupid-id
People and friends, [now to Spanish] friends and people
I like much more than the restaurants in the restaurant,
Could not eat ham,
But I would like the mamas that say HELLO

How do I go to him
Yes yes yes yes yes yes X6
Up up up up-ah

What is the time? X2
The train, the train, to dance the hora (Jewish dance)
I am tich of the cheers spill a drink on a dress
My name is Kosha Dillz, Iâ€™m called Rami Even-Esh
â€˜The hands and hands, we go to work
Chorus

Come here, mother with that type of drugs
I can sing you a song
My food, great pupon
Move it in the streets
Say it to the dead
Girls, I like, Coronas (type of beer) and balls,
In the mouth, the trumpet plays, she can dance
(She) eats salt and pepperâ€™
