Everybody Doesn't

Tata Young

Everybody does it
That's what you keep saying
Everybody doesn't
Not everybody's playing
I wanna be your girlfriend
But you gotta put the pressure off
Just stop
I think you've got
A one track mind
You're so focused on the destination
That you're missing the ride
You tell me
You're a patient guy
But we're not having conversations
?Cause you're pre-occupied
If I loved you, I would
If you loved me I wouldn't have to
If I were in your shoes
Never expect you to get down
Chorus
Everybody does it
That's what you keep saying
Everybody doesn't
Not everybody's playing
I wanna be your girlfriend
But you gotta put the pressure off
Everybody does it

That's what you keep saying
Everybody doesn't
Not everybody's playing
I wanna be your girlfriend
But you gotta put the pressure off
Ooh, you're good
You try real hard
So just fill out your application
I'll let you know next year
You don't believe
When I say no, no, no

If you don't give me considerations
Then you'll have to go
If I loved you, I would
If you loved me I wouldn't have to
If I were in your shoes
Never expect you to get down
(Chorus)
Break it down for me baby
Come and chill
Turn the pressure off
Come and dance with me sexy
Just Stop
