

Two Seater (feat. Lil Yachty)

Jovanie

[Intro: Lil Yachty]

Lil Boat

Yeah, Lil Boat! [Verse 1: Jovanie]

I got a lot of girls all in my contacts

But you the only girl I ever contact

When they hit my line

Like ring ring, I'ma hit decline [Refrain: Jovanie]

Got a lady, I tell 'em every time

She amazing, my my

Upgrade like graduation

She hold me down like gravitation

They can't break my commitment up with ya, oh [Pre-Hook: Jovanie]

Stuck to my side like Siamese

Girl you know I need you right beside me

Want you real close to my body [Hook: Jovanie]

I only got room for you, like a two seater

I'm only gon' ride with you, like a two seater

Ooh baby, you know this ain't no test drive

Fly you out from the east to the west side

I only got room for you, like a two seater [Verse 2: Jovanie]

I got a lot of girls on my timeline

But you're the only one that's on my mind

They try to throw me signs

But I ain't caring 'cause I got a dime [Refrain: Jovanie]

She my lady, I tell 'em every time

She amazing, my my

Upgrade like graduation

She hold me down like gravitation

They can't break my commitment up with ya, oh [Pre-Hook: Jovaine]

Stuck to my side like Siamese

Girl you know I need you right beside me

Want you real close to my body [Hook: Jovanie]

I only got room for you, like a two seater

I'm only gon' ride with you, like a two seater

Ooh baby, you know this ain't no test drive

Fly you out from the east to the west side

I only got room for you, like a two seater [Verse 3: Lil Yachty]

Don't bring none of your friends tonight, it's only me and you

In that SLS Mercedes coupe, we drift aloof

Never out the loop, she blow me like a can of soup
I'm never losing, you rich but you PT-Cruising, okay
I'm really having that way
You really spoiled 'cause every time you have it your way
You happy now 'cause your ex-nigga was cirque du soleil
Don't play, I'm not for all the gunplay
But brother 'dem'll knock you out your feng shui
I keep racks in my pocket though
And it's only room for two like a socket though
And sometimes maybe three when you're feeling nasty
I drop a 20 in the mall when I'm feeling cashy
I'm gon' go
All these other niggas need to know that
You'll always be loved like a throwback
And baby girl I hope you know that
I hope you know that[Hook: Jovanie]
I only got room for you, like a two seater
I'm only gon' ride with you, like a two seater
Ooh baby, you know this ain't no test drive
Fly you out from the east to the west side
I only got room for you, like a two seater
