To Let Myself Go (Dennis Ferrer Mix)

Ane Brun

To let myself go
To let myself flow
Is the only way of beingThere's no use telling me
There's no use taking a step back
A step back for meTo let myself go
To let myself flow
Is the only way of beingThere's no use telling me
There's no use taking a step back
A step back for meTo let myself go
To let myself flow
Is the only way of beingThere's no use telling me
There's no use taking a step back
A step back for me
