

To Let Myself Go (Dennis Ferrer Mix)

Ane Brun

To let myself go
To let myself flow
Is the only way of being There's no use telling me
There's no use taking a step back
A step back for me To let myself go
To let myself flow
Is the only way of being There's no use telling me
There's no use taking a step back
A step back for me To let myself go
To let myself flow
Is the only way of being There's no use telling me
There's no use taking a step back
A step back for me
