Californication

2CELLOS

In californication, yeah, bitch I'm from the country dumb make the nigga soft
Big city nigga come south and get they wigs knocked off
...I just hustle and flow, find a track to start and pimp on a hoe
The block got hot a nigga had to get low
Get the fuck out of ... I hit my uncle on the east side
Trevon, wharrup neph what's cracking
I wanna visit L.A., I'm already packed
Been already stacking so we gonna get turned up
Soon as you land, purple kush gonna get burnt up
Shit, the next day I'm in the LAX
Uncle Trey pulled up in a Camaro SS
Black on black, sitting on 23
Bumping rich boy like bitch ...
2 bad bitches in the back seat, one of them for me
Next ... name Marie, rolling up some trees,
...Roll down the window, just to feel the breeze
It's real nice, feeling like paradise shit
And all I can see is sunshine and palm treesWelcome to californication, welcome to californicationWhere we're going, to the hood
Now I wanna see the ...shower...
Fool, that's where the cops be
I ain't got no driver's license or assurance
Sure enough the cops put us over on...
Everybody out the car, the cops set us on the curbe
They searched the ashtray and found a roach full of herbs
What's this in that cigar? Medical marijuana officer
I got a ....call
What condition you smoke weed for?
Trevon Jones, place your hands behind your back
You're under arrest for warrants go to court...Monday
Monday? It's Wednesday man,
Or maybe Tuesday, you heard me m'aam
Now if you keep it up, I'll arrest you for obstruction of justice
Trev like, take the car, fuck this
Have fun, call my homies, go clubbing with you dumb ass
At least they ain't found my gun stashWelcome to californication, you might come for vacation
Welcome to californication, you might leave on probation
I'm telling you that
Welcome to californication, anyone goes, everything goes

Welcome to californication, californicationI dropped the bitches off, now I'm off to my uncle house
Stopped by the liquor store, nothing but the thugs out
White teeth and chunks when niggas hit me up like
Where you from homie?
Lifted up his shirt on me, Colt 45
And dawg I wouldn't strap another would walk up like
Nah, he cool, that's Dave Black, Tray lo folks
Visiting from Mississippi,
Pass the pine of Hennesey, here sip this with me
I'm Javon, we're gonna get it popping tonight
Wassup, Hollywood around, these niggas are flocking at night
What's flocking? Breaking in homes...burglary nigga, damn you slow
Oh we kicked it in the hood drinking smoking kush twist up
Hood rat with the big butt chose up got our dicks up
Kissed my auntie on the cheek see you laters
Now we 5 niggas deep and ...
The club's off the chain, I'm seeing models and stars
NBA players straight buying out the bars
The state of Arizona kinda segragate
But my dick don't discriminate,
Black girls white girls, pimping I just like girls
California girls, Katy Perry tight girls
Met an Asian with fake tits next to a hype girl
She took a pot of ...sniffing on that white girl
VIP bottles and all that, this ... started pouring out cognac
... I took a bottle and I cracked that nigga, smacked that nigga
Security bust me like arrest that nigga
Tearing up the club, all 5 of us
Asian bitch grab me like hurry up slide with us
But the cops were outside stop ... to retain me
Found some coke in her purse, motherfuckers play me
Next thing you know I'm in the county jail
I walked and I seen my uncle Tray's right there
And he's just shaking his head then he laughed at a nigga
Don't be in the bed, don't let the bright lights fool ya...
It's been 24 hours I just caught my first case
I just can't see the honey once I got locked up
Niggas doing crazy my advice...
As they tripping on me for no reason...Welcome to californication, you might come for vacation
Welcome to californication, you might leave on probation
I'm telling you that
Welcome to californication, anyone goes, everything goes
Welcome to californication, californication
