

Envy

Mindless Self Indulgence

My children, I had to know
Does this taste like Hell? Don't you know what you do unto me? Oh, I envy you the most
What you must be feeling Oh, I envy you the most
This must be me dreaming Oh, I envy you the most
Once you stop breathing Oh, I envy you the most
What you must be feeling Oh, I envy you the most
This must be me dreaming Oh, I envy you the most
Once you stop breathing
Save your, save your soul.
Save your, save your soul.
Save your, save your soul.
Save your, save your soul. PLEASE FORGIVE ME
PLEASE FORGIVE ME
PLEASE FORGIVE ME
PLEASE FORGIVE ME
PLEASE FORGIVE ME
PLEASE FORGIVE ME
PLEASE FORGIVE ME
PLEASE FORGIVE ME
PLEASE FORGIVE ME Oh, I envy you the most
What you must be feeling What you must be feeling
What you must be feeling
All my children
All my children PLEASE FORGIVE ME
PLEASE FORGIVE ME
PLEASE FORGIVE ME
PLEASE FORGIVE ME
