

Tease Me (Haffi Easy)

Gyptian

Yeah, oh, yeah

Gyal, whats say you want get a whining,
You move so fast and you still got your timing,
You move so fast gyal do on your lose skin,
And your moves dem really intestify,
How you twine up and twist up my mind so,
When you bend down and grab up you anger,
A low easy ting, (kiss your teeth)

Me have the members I'm the one for the real on the either ting, Me have to ease it, yes me have to ease it,

Me have to ease it and dude she a tese meh,

Me have for ease it yes we have to ease it,

Yes me have to ease it at all she haffi tease me How you ba whine up and touch up yourself so,

Like you wont get me rude and touch me so,

Dis is a splits bed dat I see you do One question for me girl asking you,

Tell me how you do it gyal tell me how you do it

How you do it gyal tell me how you do it

How you do it gyal tell me how you do it

Do you whine and tease every man on de streets gyal Me have to ease it, yes me have to ease it,

Me have to ease it and dude she a tese meh,

Me have for ease it yes we have to ease it,

Yes me have to ease it at all she haffi tease me Yeah, oh, yeah, wow, yeah, intensify
