Another Day Another Friend

Puggy

No one knows, anybody cares.
Lost for words, we thought they're never there.
For everything we've lost, we drink at any cost!
You'll always find a fool somewhere...Well, to the end, another day another friend.
You've been gone so long, they've lost your name.
Till the end, don't speak, never see and don't be heard,
So you know your life isn't meant to be a curse!To anyone who's gone, years sing their songs.
For anyone who stays, they'll always make you pay!
You'll always find a crook somewhere...
Well, to the end, another day another friend.
You've been gone so long they've lost your name.
Till the end, don't speak, never see and don't be heard,
So you know your life isn't meant to be a curse!No one knows, anybody cares.
Lost for words, we thought they're never there.
For everything we've lost we drink at any cost!
You'll always find a fool somewhere...Well, to the end, another day another friend.
You've been gone so long they've lost your name.
Till the end, don't speak, never see and don't be heard,
So you know your life isn't meant to be a curse!
Well, to the end, another day another friend.
You've been gone so long they've lost your name.
Till the end, don't speak, never see and don't be heard,
So you know your life isn't meant to be a curse!
