Livin' On the Edge of the Night

[Iggy Pop](#)

LIVIN ON THE EDGE OF THE NIGHT
You went off the river
Smoke stacks fade to blind
This town's my own, ridin'free and alone
And I'm looking back
Maybe I know some people
Maybe I break some rules
But this is the street, I've got to compete
Baby, I ain't no fool*So I take a little bad with the good
It ain't just black and white
(It still ain't black and white)
You've got to deal with the real
Woo, living on the edge of the nightEvery wild desire
Beckons from the dark
I've made my bed but I can't risk my head
While I still swim with sharks
Everyone needs something
Sometimes they don't know why
But so much good's been misunderstood
In the blink of the eye(Repeat *)
