

# Anytime You Need A Friend

Mariah Carey

If you're lonely, and need a friend  
And troubles seem like  
They never end  
Just remember to keep the faith  
And love will be there to light the way  
Anytime you need a friend  
I will be here  
You'll never be alone again  
So don't you fear  
Even if you're miles away  
I'm by your side  
So don't you ever be lonely  
Love will make it alright  
When the shadows are closing in  
And your spirit diminishing  
Just remember you're not alone  
And love will be there  
To guide you home  
Anytime you need a friend  
I will be here  
You'll never be alone again  
So don't you fear  
Even if you're miles away  
I'm by your side  
So don't you ever be lonely  
Love will make it alright  
If you just believe in me  
I will love you endlessly  
Take my hand  
Take me into your heart  
I'll be there forever baby  
I won't let go  
I'll never let go  
Anytime you need a friend  
I will be here  
You'll never be alone again  
So don't you fear  
Even if you're miles away  
I'm by your side

So don't you ever be lonely

It's alright

It's alright
