

# Funeral Day

## The Mint Chicks

Her life's been short but she's made some mistakes  
She lights the flame that ignites the remains I doubt she'll grow wise, old and grey  
Before that fateful funeral day Don't hide your face  
No revenge, it's too late  
Don't cut your wrists  
You've got beautiful fists I doubt she'll grow wise, old and grey  
Before that fateful funeral day Her life was short and she'd made some mistakes  
She lights the flame that ignites the remains  
I doubt she'll grow wise, old and grey  
Before that fateful funeral day  
I doubt she'll grow wise, old and grey  
Before that fateful funeral day
