## Slick Shoes

Thrown out in the cold again  
We don't have a place for you here  
You did everything shy of call me stupid  
Why not take this comfort away You've got everything else  
Don't worry about me, I'll be fine  
It's all right now, I've found my way  
No thanks to you I'll be okay You've showed me how to mistrust  
No thanks to you I'll be okay  
Could you come and walk with me  
And help me not to stray? I need your strength to guide me  
So show me how to trust and to know faith  
I've paid a price I know
