

# High on a Mountain

Ollabelle

as I look at the valley down below,  
it's green, as far as I (eye?) can see.as my memories return,  
oh, how my heart does yearn,  
for you, and the days that used to be.high, on a mountain,  
wind blowing Free,  
i wonder if you still remember me.i wonder if you still remember me.  
or has time erased your memory ?  
as i listen to the breeze  
whisper gently through the trees,  
i wonder if you ever think of me.high on a mountain,  
standing alone  
i wonder where the years of of my life have flown.
