

unpredictable

randomrandy

Got my thoughts, I got my words
Got this head full of answers
 Got You wrapped up
 Got You under control
See my future like the past behind me
I think I know where You're leading
 Don't need no questions
 Don't need no rocking the boat
 But I just forget all the mystery
 I just forget who You are
 When I know that I know
What You have down the road
 When I'm sure that
 I've figured You out
 Help me see that I'm small
 That I can't know it all
'Cause You're so unpredictable
'Cause You're so unpredictable
 You said the foolish
 Would shame the wise
 To put my faith
 In what's beyond my eyes
 And to believe You
 I have to come as a child
So help me to rest in the mystery
 Of what I can't understand
 When I know that I know
What You have down the road
 When I'm sure that
 I've figured You out
 Help me see that I'm small
 That I can't know it all
'Cause You're so unpredictable
Can't wrap my mind around You
 Can't put You in a box
Can't keep You safely contained, no
 You're gonna move the way
 You wanna move today
 Just let me follow along

When I know that I know
What You have down the road
When I'm sure that
I've figured You out
Help me see that I'm small
That I can't know it all
When I know that I know
What You have down the road
When I'm sure that
I've figured You out
Help me see that I'm small
That I can't know it all
'Cause You're so unpredictable
'Cause You're so unpredictable
You're unpredictable
