That Name

Yolanda Adams

There is a name that is so precious,
A name so wonderful to me.
This name is worthy of all praises.
Because of him, I am made free.
That name is Jesus, oh how I love him.
The one who gave, his life for me.
Because of love, so unconditional,
I will have life, eternally.
This name speaks peace, unto my storm clouds,
This name speaks calm, unto me fears.
And when I feel, that no one loves me.
His loving presence is so near.
That name is Jesus, oh how I love him.
The one who gave, his life for me.
Because of love, so unconditional,
I will have life, eternally.

Praise that name!
Praise that name!
Praise that name!
Praise that name!
Someday I'll leave, this earthly dwelling,
To find a place, my soul will soar.
And finally see, the face of Jesus.
And praise his name, forevermore!
That name is Jesus, oh how I love him!
The one who gave, his life for me!
Because of love, so unconditional,
I will have life, eternally.
Excellent is that name!
Glorious is that name!
Wonderful is that name!
Oh praise that name!
