Advisory - the following lyrics contain explicit language:

You probably crooked as the last trick  
Wanna laugh about how I got my ass caught up with this bad bitch?  
Thinking I had her but she had me in the long run  
Its just my luck I'm stuck fucking with wrong one, uh  
Wise decisions based on lies we living  
Scandalous times is games like my religion  
You could be rolling with a thug  
Instead you with this sweet scrub  
Looking for some love  
In every club, I see you standing like you want it  
Well baby if ya got it better flaunt it  
Let the liquor help you get up on it  
I'm still tipsy from last night  
Bumping in walls as I pause  
Addicted to the fast life  
I try to holler but you tell me you're taken  
Saying you ain't impressed with the money I'm make  
Guess its true what they telling me  
Fresh out of jail lights hell for a black celebrity  
So that's the reason why I call  
And maybe you with it  
Fantasies of the sweating  
Can I hit it?  
Addicted to the things you do  
Its still true what I'm saying Boo  
Cause this is all about u[Chorus: x2]  
Every other city we go  
Every other video  
(It's all about you)  
No matter where I go  
I see the same hoe I'll make a promise if ya go with me  
Just let me know, I'll have you hollering

My name out before I leave  
Nobody loves me I'm a thug nigga  
I only hang out with the criminals and the drug dealers  
I love niggas  
Cause we coming from the same place  
Witness me holler at a hoochie, see how quick the game takes  
How can I tell her I'm a player  
And I don't even care  
Creep though  
Weed smokes in the air  
Everywhere I go, its all about the groupie hoes  
waiting for niggas at the end of every show  
I just seen ya in my friends video  
Never put you on my friends so here we go  
Follow the leader and peep the drama that I'm going through  
It's all about u  
(Yeah nigga, its all about u)[Chorus: x2]Is you sick from the dick or is it the flu?  
It ain't about you or your bitch ass crew  
Every other city we go and every video  
Explain to a nigga why I see the same shitty hoe  
You think it's all about you?  
Well, boo, I gets down like Dru and my nasty new niggas, too  
You couldn't hold me back  
It'll take a fatter track, a lyrical attack  
Or perhaps it was a visual bluff  
When I started to snaps all your ?  
Straight in control  
"Flows are full"  
Why hold a cold stroll?  
Coldest set  
I told you I'm as gold  
And that's gold digging  
Cold digging a ?  
I slide in easily  
Try a grizzly  
Sluts know the cuts  
I came to fuck  
Try skeezing me  
Running up in this  
It's like ? when I bring ya the most  
I fuck a bitch from the West coast[Chorus: x4]
