

# I Can Feel Your Pain

## Gyptian

I can feel your pain  
Oh oh yeah, Oh oh yeah  
MmmLady I can feel your pain  
Even If you're thousands miles away  
Oh Oh, oh oh  
Girl I Can remember those days  
When loneliness was right in front your face  
Oh Oh, oh oh  
I can erase those pains away  
No more loneliness staring in ya face  
Oh Oh, oh ohLet me make love to you  
Let me talk to you  
Let me treat to you  
Let me show you  
The way your man should treat a lady  
That's the way you should be treated  
Girl  
Relax your mind, no more nine to five  
I'm gonna treat you right  
Gonna show you the life  
Any day your right my baby  
We'll start a familyI can feel your pain  
Even If you're thousands miles away  
Oh Oh, oh oh  
Girl I can remember those days  
When loneliness was right in front your face  
Oh Oh, oh ohBaby I can feel your pain  
Oh Oh  
Oh uh oh oh oh  
Mm mmm mmGirl, do you wanna joy ride with me  
Do you wanna oo when the sunrise with me  
Do you wanna see me everyday'Cause I wanna see you  
From a distance girl  
I can feel you  
I wanna show you the things I wanna  
To show my dreams lady, lady  
Oh uh oh oh oh  
Oh oh, oh ohGirl I can feel your pain  
Even If your thousands miles away

Oh Oh, oh oh  
Baby I remember those days  
When loneliness was right be on your face  
Oh Oh, oh oh  
Those days I can erase  
No more loneliness staring in your face  
Oh Oh uh oh oh I can feel your pain These are words with me  
I'll show you I can fulfill your fantasies  
Girl just be true  
That's all I want you to be  
Is just be real true for me oh I can feel your pain  
Even If your thousands miles away  
Oh Oh, oh oh  
Baby, I can erase those pains away  
Oh oh, oh oh
