

# Blah Blah Blah

## Yo Gotti

Blah Blah Blah Blah Blah[: Yo Gotti]  
Put my bitch up out the house cuz all she do is argue  
Put that bitch up out the whip cuz all she do is argue  
All I heard is "Blah Blah Blah Blah Blah Blah"  
Bitch, who are you?  
Made my side bitch my main bitch cause she don't argue[Hook: Yo Gotti]  
Blah, Blah, Blah, Blah, she don't argue  
Nah, nah, nah, nah, I don't argue  
Blah, blah, blah, blah, she don't argue  
Nah, nah, nah, nah, I don't argue[Verse 1: Yo Gotti]  
Put my bitch up out the house, told her leave  
You no longer welcome here (no, no)  
Give me my keys  
All you do is nag (blah, blah)  
All you do is brag (blah, blah)  
All you do is come play  
Play that shit she said  
All that back and forth, being extra....  
I won't marry you so you won't never get no ring  
All I hear is "blah, blah, blah, blah", give me my keys to my car, car, car, car  
You can go f-f-f  
Here we are, after all, losing focus, adderall  
He said, she said, head hurt, Tylenol  
Can't believe this hoe went through my phone and text my other broad  
When she said ...., I J responded "Blah, blah, blah"[: Yo Gotti]  
Put my bitch up out the house cuz all she do is argue  
Put that bitch up out the whip cuz all she do is argue  
All I heard is "Blah Blah Blah Blah Blah Blah"  
Bitch, who are you?  
Made my side bitch my main bitch cause she don't argue[Hook: Yo Gotti]  
Blah, Blah, Blah, Blah, she don't argue  
Nah, nah, nah, nah, I don't argue  
Blah, blah, blah, blah, she don't argue  
Nah, nah, nah, nah, I don't argue
