

Valentine

Jessie Ware & Sampha

So will you never be my lover or my valentine
Never be a friend of mine, never see my better side
Maybe you'd be terrified
Of all the secrets you were wishing you won't ever find
Is deep inside me
And I don't wanna hide me 'Cause I know about my love
Because I know about my love
'Cause I know about my love
'Cause I know about my love Pick it fast like a flight far away from here (Fly away)
Although I know I feel at home whenever you are near
Live my life you better cold cut to this (Just don't cut it, want you near)
I wish you'd just hold me open just to see your vision clear (I'm always near) 'Cause I know about my love
'Cause I know about my love
'Cause I know about my love
'Cause I know about my love
