Sons of South

Cause such a [Incomprehensible]
What you are is a problem
No, and you won't change me
'Cause I'll never go
No, I never know

More than [Incomprehensible]
That was once homemade

Well now, I know I can't be saved by you
You and I won't have to go
And all my dreams

Please won't you go
And set me down?
I'm not sure what goes on
