

# Left For Dead

## My Endeavour

Been left for dead  
I know it's in the back of your head  
Been left for dead  
Sister you're better than that  
Been sold downstream  
Sold down river to the cousin of the king  
Been left for dead  
Sister you're better than that  
A e i o u

A e i o u  
A e i o u  
Gonna beat him instead  
Beat all the odds that you got up ahead  
You gonna beat him instead  
Cause sister you better than that  
A e i o u  
A e i o u  
A e i o u
