This is how it starts out
I'm losing my way
You take me where there's no way out
You call off the search
On this track we spin around
Im stuck in reverse
No matter how I try to stop
it only gets worse
only gets worse
Take my soul no
no no no
Take my soul no
no no no
Take my soul no
no no no
Take my soul no
no no no
This is how it turns out
A kill was we earned
And now im just your satilite
Losing my Earth
On this track we spin around
stuck in reverse
No matter how I try to stop(Take my soul no)
it only gets worse(no no no)
No matter how I try to stop(Take my soul no)
it only gets worse(no no no)
