

Wild and Wooly

[Chris LeDoux](#)

I've been workin' all week long out in the saddle
I lay my bed roll down at night out on the range
Cursin' dust and heat and the flies and cattle
All this romance can drive a poor cowboy insane
And that lonesome coyote's a-howlin' on the prairie
And that big Wyoming moon is shinin' down
Well, it's Saturday night and you know it's customary
For a wild and wooly cowboy to ride to town
Well, I just got paid and my pockets are full of money
I can't stand no more, I can't wait another day
I gotta ride to town, I gotta see my little green eyed honey
We're goin' to dance and romance and love the night away
And that lonesome coyote's a-howlin' on the prairie
And that big Wyoming moon is shinin' down
Well, it's Saturday night and you know it's customary
For a wild and wooly cowboy to ride to town
I'm gettin' sick and tired of just sleepin' on the ground
Come on Buck, let's go to town
