## White Zombie

Reconstruction idea  
Take the ultimate trip  
Yeah, ultimate trip  
Assassination, invasion  
A criminal masterpiece  
Hang on the walls  
Like a gold on the moonThunderbolt fist  
Rocket feet  
A little knowledge  
Is a dangerous thing  
Cry and you cry alone  
Love as they please in Hitler's brainT-bird bitch'n the bad girl  
Sweet savage, a swing'n baby  
But you can ride, ride  
Ride the wild surfQuicksand hand  
Racing fever  
A lot of speed can really move ya.  
Hey, did I fuck'n win  
I'm a real pyro-man
