Red Letter Day (Live (With / Intro)

The Get Up Kids

You've got some nerve I never knew, what with the world we gave away in front of you.
I see it all much clearer now. You're just a phase I've gotten over anyhow.
It's over, I'm not giving in again.
We're loyal like brothers, just us versus all the others.Were you the one for me?
I trusted misleading promises worth repeating.
How could you do this to me?
Red letter day that I learned I'm sure you'll get what you deserve.I see it all much clearer since... far past the point of this.
It's over... and if it's lie I don't want to be the one who signed.
I'm not the one who falls down, it's over now.
If you want to try... try to forget it. It's over, I'm gone.
