Never Tear Us Apart

Paloma Faith

Don't ask me
What you know is true
Don't have to tell you
I love your precious heart(chorus)

I, I was standing

you were there

two worlds collided

and they could never

tear us apartwe could live

for a thousand years

but if I hurt you

i'd make wine from your tearsI told you

that we could fly

'cause we all have wings

but some of us don't know why(chorus)

I, I was standing

you were there

two worlds collided

and they could never ever tear us apartI, I was standing

(don't ask me)

you were there

(what you know is true)

you were there

(worlds collided)

two worlds collided

(we're shining through)

and they could never tear us apartYou, you were standing

(Don't ask me)

(You know it's true)

I was there

(Worlds collided)

Two worlds collided

(We're shining through)

And they could never tear us apart
