Don't Walk Away

[Miley Cyrus](#)

I've been running
In circles all day long
I'm out of breath
But I'm still going strong
I'm gonna get you, yeah
No matter what they say
You think I'm losing
But I always get my way
Hey, don't walk away
When I'm talking to you
This ain't no time for your
Bad attitude
Don't gimme that face
When you know I'm really
Down for the chase
'Cause my heart's already in it
And I'm never gonna quit it
When you finally gonna get it
Don't walk away when I'm talking to you
You act, act like
That I don't have a clue
You think you know it all
But I'm so onto you
You think you figured out
Just how to win this game
I'm on your tracks
Yeah, I know every move you make
Hey, don't walk away
When I'm talking to you
This ain't no time for your
Bad attitude

Don't gimme that face
When you know I'm really
Down for the chase
'Cause my heart's already in it
And I'm never gonna quit it
When you finally gonna get it
Don't walk away

I won't give up just like that
I'm gonna make you mine
If it takes everything I have
Don't walk away
When I'm talking to you
This ain't no time for your
Bad attitude
Don't gimme that face
When you know I'm really
Down for the chase
'Cause my heart's already in it
And I'm never gonna quit it
When you finally gonna get it
Don't walk away when I'm talking to you
Yeah, don't gimme that face
When you know I'm really
Down for the chase
'Cause my heart's already in it
And I'm never gonna quit it
When you finally gonna get it
Don't walk away
