## Otto Knows

Is this what... of the night  
Will you join me till the morning light  
Dance the night away cause if it's right  
You can't stop me, noh X 2You can't stop me, noh  
You can't stop me, noh  
No, no, no, no, no, no  
No, no, no, no, no, no  
You can't stop, you can't stop, you can't stop  
No, no, no, no, no, no
