

Entertaining Angels (Live/7th Row Dictaphone mix)

Newsboys

One to another
Do you remember me?
I feel so small
Well, are you listening tonight? So temporary
The things that I have seen
I ran so far
Will you take me back again? Entertaining angels
By the light of my TV screen
24-7, you wait for me
Entertaining angels
By the time I fall to my knees
Host of heaven, sing over me One to another
The feelings in between
I won't let go
Of all you taught me alright Close as a brother
The way we used to be
I'll hold my breath
And I'll wait for you to breathe Entertaining angels
By the light of my TV screen
24-7, you wait for me
Entertaining angels
While the night becomes history
Host of heaven, sing over me Entertaining angels
By the light of my TV screen
24-7, you wait for me
Entertaining angels
By the time I fall to my knees
Host of heaven, sing over me Entertaining angels
By the light of my TV screen
24-7, you wait for me
Entertaining angels
While the night becomes history
Host of heaven, sing over me
