When I'm Gone

Simple Plan

I look around me but all I seem to see
Is people going nowhere expecting sympathy
Its like were going through the motions of a scripted destiny
Tell me, wheres our inspiration? If life wont wait I guess its up to meWhoa! No, were not gonna waste another moment in this town
Whoa! And we wont come back, the world is calling out
Whoa! Leave the past in the past, gonna find the future
And misery loves company, well so long
Youll miss me when Im gone
Youre gonna miss me when Im goneProcrastination running circles in my head
While you sit there contemplating youre wound up left for dead
Life is what happens while youre busy making your excuses
Another day, another casualty but that wont happen to meWhoa! No, were not gonna waste another moment in this town
Whoa! And we wont come back, the world is calling out
Whoa! Leave the past in the past, gonna find the future
And misery loves company, well so long
Youll miss me when Im gone
Youre gonna miss me when Im gone
Youre gonna miss me when Im gone
When Im gone, lets go!Wont look back when I say goodbye
Im gonna leave this hole behind me, gonna take whats mine tonight
Cause every wasted day becomes a wasted chance
Youre gonna wake up feeling sorry cause life wont wait
I guess its up to youWhoa! No, were not gonna waste another moment in this town
Whoa! And we wont come back, the world is calling out
Whoa! Leave the past in the past gonna find the future
And misery loves company, well so long
Youll miss me when Im gone
Youre gonna miss me when Im gone
Youre gonna miss me when Im gone
Youre gonna miss me when Im gone
Youre gonna miss me when Im gone
