Address

Simon Joyner

Friends tell me I am crazy
That I'm wasting time with you
You'll never be mine
Just be good to me, just be good to me
Just be good to Green
All I need is a woman to be good to me
I'm an easy man, I'm easily pleased
And you provide me with everything that I need
Look, you know I make ends off crime
So hold on to yours, we're spending mine
Though you try, I'll never let you by
But if I was broke, would you still be spending time?
(Yes)
And I believe you would
Don't think P's too fucked to treat you good
I'll walk street with you, yes, talk deep with you, yes
Even slip and spend all week with you and I'm off
You wish I'd put an end to the torment, stop
But one thing it's not ever is boring
What would you rather me be like?
I ain't ever gonna change, are you ever going to realize?
People always talk about
(Look, people are always going to talk, babes)
Reputation
(I ain't even going to lie, shit, but it ain't like you to know what mine is)
I don't care what you do to them, just be good to me
(I'll try, try, try)
Look, babes, you know who I am
But as crooked as I am, I'll be as good as I can
I try and try, but we'll settle that my angel face
Is disguise for the devil inside
You're good to me, I ain't good to girls
Me, I'm a bad boy, something every good girl needs
Honesty can avoid all your tantrums
But I'm a naughty boy and I always have been
What? And I ain't changing anytime soon
I can't have you with me whenever I move
Whatever I do, I come back to you
See, the good attracts me and the crook attracts you

Whatever, what? We all got our ways
Remember us talking, of course it was game
But it's all gonna change
Now she got me cutting off links like I'm trying to shorten my chain
People always talk about
(Look, people are always going to talk, babes)
Reputation
(I ain't even going to lie, shit, but it ain't like you to know what mine is)
I don't care what you do to them, just be good to me
(I'll try, try, try)
Friends are always telling me you're a user
(Not me, not ever, ain't no other man going to treat you better)
I don't care what you do to them
Just be good to me
(I'll try, try, try)
I'll be good to you, you'll be good to me
We can be together, be together
(Just be good to me)
I'll be good to you, you'll be good to me
We can be together, be together
(Just be good to me)
I don't care what you do to them, just be good to me
Just be good to me
