

# Requiem

## Avenged Sevenfold

Prodigia, comploratus  
Silens, oro  
Regnet exitiumDays of warning  
Night brings morning  
My prayers worthless  
Heaven is burning downI walk stricken  
Pitch black vision  
Oh one, save me  
Caress my weary eyesDarkest Lord  
Your mercy shall I gain  
Strike the match  
Engulf the earth in flamesIn flames  
In flames  
In flamesNature quaking  
Prophets aching  
I kneel faithful  
Damnation cracks the skyMy heart fiction  
Superstition  
Your grace deathless  
Give life to my last breathDarkest Lord  
Your mercy shall I gain  
Strike the match  
Engulf the Earth in flamesIn flames  
In flames  
In flamesProdigia, comploratus  
Silens, oro  
Regnet, exitiumRise from ashes  
Violence clashes my soul vacant  
Cleanse me of all this sinI stand guilty  
I bleed filthy  
Born of fire  
Savor this final hourDarkest Lord  
Your mercy shall I gain  
Strike the match  
Engulf the Earth in flamesIn flames  
In flames  
In flames
