

# That's How It Goes

## Yowda

That's how it goes  
When you feel so sad you feel so low  
Life seems so bad I know, I know  
That's how it goes  
That's how it goes  
You may think it's funny  
But it always shows  
Try to hide it honey, oh no, it shows  
That's how it goes  
Some people say  
Everything's gonna be okay  
Just give it a while  
You'll find you're back  
Back in style  
But I don't know life will get better  
I am sure they know  
Sooner or later it shows, I know  
That's how it goes  
It's funny to see how easy life can be  
Just sit back and smile  
You'll find that life is worthwhile  
That's how it goes  
When you're on top the whole world knows  
Wouldn't want to stop it, oh no, it shows  
That's how it goes  
That's how it goes
